Taylor Francis Inc, United States, 2004. Paperback. Book Condition: New. New.. 211 x 150 mm. Language: English . Brand New Book. Use a strengths perspective for working with your younger clients! Mental Health Practice with Children and Youth: A Strengths and Well-Being Model presents new insights into successfully working with children by concentrating on their capabilities and resilience. This book explores the continuum of children s needs and challenges from early childhood through adolescence. This text also supports child-centered and strengths-oriented approaches to intervention with children and introduces specific strategies for maximizing pro-social behaviors, self-concept, learning, and positive peer relationships in children at home, at school, and in the community.
