On his journey, the man will face his worst fears - plus a few random fears he didn't know he had - on his way to finding the grandest treasure of his life. He also defies a king, falls in love with a princess, and accidentally masquerades as a great wizard. And you thought doing your taxes was fun! Red Magic Shag - it's the ride! Included as a bonus is the short story, Blue Dragon Fandango, the tragic tale of a clash between a community of people and the tribe of dragons in whose shadow they live. Told through the eyes of the one man who stands between them, this story asks a simple question: Are you worthy to join the dance?.
