THE DINOSAUR FEATHER (PAPERBACK)

DOWNLOAD

Quercus NA, United States, 2014. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. Selected by NPR's Maureen Corrigan as her favorite mystery of 2013 and one of the top ten mysteries of the year by The Wall Street Journal's Tom Nolan, S.J. Gazan's debut novel *The Dinosaur Feather* is a classic of Scandinavian noir. With keenly observed and deeply flawed characters, this scintillating thriller uniquely employs one of the most controversial and fascinating areas of contemporary dinosaur and avian research in its diabolical twists. *The Dinosaur Feather* has been published in more than a dozen countries and won the Danish Crime Novel of the Decade Award. The Financial Times called it a top-flight thriller--smart and outrageously entertaining. Biology postgraduate, PhD hopeful, and single mom Anna Bella Nor is just two weeks away from defending her thesis on the saurian origin of birds when her academic supervisor, the highly respected yet widely despised Dr. Lars Helland, is found dead in his office chair at the University of Copenhagen. The police discover a copy of Anna's thesis in the dead man's bloody lap. When the autopsy suggests that Helland was murdered in a fiendishly ingenious way, brilliant but tormented young Police Superintendent Soren Marhaug begins the daunting task of unraveling the knotted skeins of interpersonal and intellectual intrigue among the scientists at the university. Everyone involved with the investigation--from Anna Bella Nor to Helland's numerous rivals to Marhaug's own ex-wife, who is pregnant with her current husband's child--has something to hide, complicating the investigation and presenting the detective with the greatest professional and personal challenge of his career.
