Brand New Book ***** Print on Demand *****.Angel Thomas is no fan of medical exams or sexuality, though she'll soon be forced to face them both. The night before a dreaded insurance physical, she discovers that her intimately neglected husband is having an affair. Confronted by both realities, Angel opens the door to Dr. Max Sherman. Discovering her desperate need for health coverage and an instant sex drive, the opportunistic man offers her a deal she can't refuse. After a massive injection of testosterone, the sex-inducing hormone creates a sexual addict. She becomes an easy target for exploitation, starting with a medical exam that's far from professional. Finally cured and insured, she's determined to get her husband back. However, anything Dr. Sherman gives, comes with a price greater than money. She must decide if obeying his every command, is worth the reward. Warning: This 12,000 word story contains graphic language, erotic situations, sex, anal temperature, oral sex, medical fetish, enema play, catheter play, injections, foot fetish, domination, submission, humiliation, medical instruments, and is a story for adults (18+).
