

Topographical Drawing and Sketching, Including Applications of Photography (Classic Reprint) (Paperback)

By Henry a Reed U S Army

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Topographical Drawing and Sketching, Including Applications of Photography The writing of this book was first suggested by the fact that there was no native work which fully treated of and illustrated rapid methods of hill-shading; and it is now written not only to explain these and other methods now used either separately or in conjunction with them, but also to present the subject of topographical sketching in a form suited to a beginner. The methods of both drawing and sketching as now practised in the principal topographical schools, and there considered the best, are described in detail. The writer has searched every available source, both foreign and native, for new information, and desires especially to acknowledge that gained from the publications of the U. S. Coast Survey, the Memorial de l'Officier du Genie, and from the recent works of Lehagre, Maes and Bertrand of the French schools, and of Colonels Richards and Roberts of the British Army; and also to express his indebtedness for valuable advice, assistance, and opportunities afforded by his friend. Professor...

Reviews

This book is fantastic. This is certainly for all those who stätte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Dale Fahey MD

Extensive information for ebook fans. it was writtern very flawlessly and useful. You are going to like just how the author publish this pdf.
