During his more than 40 years in the investment business, Stan Balser became increasingly aware of the need for a single publication that could explain stock market investing to the beginner. In this book, he explains the importance of growth stock investing, the special language of investing, how to research and find great investment possibilities, how to select a brokerage firm, setting up a retirement account, and how to invest online. In this interesting and educational guide, Stan starts with the basics and takes you by the hand to the point of DO IT YOURSELF order entry. In this enjoyable read, he guides you, encourages you, warns you and helps you become a confident investor able to handle your own investments with little or outside help.
