## **PARTICIPATORY DEVELOPMENT: A DEVELOPMENT MANAGEMENT PERSPECTIVE (PAPERBACK)**

Van Schaik Publishers, South Africa, 2004. Paperback. Book Condition: New. 245 x 170 mm. Language: N/A. Brand New Book. Participatory development in South Africa: a development management perspective, follows a holistic, multidisciplinary approach in assessing development management principles and strategies in South Africa. The authors represent a broad teaching, research and management background, which allows them to functionally integrate some of the most important challenges in development management and related practice and policy interventions in this title. The work therefore captures the fundamental basis upon which most development projects and practices are based, namely cooperation, collaboration and public participation.
