SIMON SCHUSTER, United States, 2012. Paperback. Book Condition: New. Reprint. 208 x 134 mm. Language: English . Brand New Book. From the New York Times bestselling author of *The House We Grew Up In* comes a compelling and heartbreaking (Jojo Moyes) novel about three strangers who are brought together by the father they never knew. Lydia, Dean, and Robyn don't know one another. Yet. Each is facing difficult challenges. Lydia is still wearing the scars from her traumatic childhood. Wealthy and successful, she leads a lonely and disjointed existence. Dean is a young, unemployed, single dad whose life is going nowhere. Robyn is eighteen. Gorgeous, popular, and intelligent, she entered her first year of college confident of her dream to become a pediatrician. Now she's failing her classes. Now she's falling in love for the first time. Lydia, Dean, and Robyn live very different lives, but each of them, independently, has always felt that something was missing. What they don't know is that a letter is about to arrive that will turn their lives upside down. It is a letter containing a secret one that will bind them together and show them what love and family and friendship really mean. Filled with heart and humor ( Kirkus Reviews ), *The Making of Us* is a literary gem that will remind readers of the miracles that happen when we bring life into the world and share our lives with those we love.
