

The Ebola Survivors: Meet the People the Killer Virus Could Not Kill! Their Stories, Their Pain, and Triumph Over Death (Paperback)

By Julie Madison, Tony Mathis

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Meet The People The Killer Virus Could Not Kill! From Liberia to Sierra Leone to Guinea, Nigeria, Spain And the United States, the story of the 2014 Ebola Virus Outbreak that started in West Africa is not just about sorrow, suffering and death. There is some light at the end of the tunnel and it is getting brighter by the day. Although many are still dying from this disease that still has no cure, an increasing number of people have survived against all odds and are alive to tell their stories. In this collection of survivor stories, you will feel their pain and their anguish, but more importantly, you will experience the joy of surviving after battling with death through the darkness of the Ebola scourge. The stories of these survivors show us the indefatigability of the human spirit. The human race has survived many scourges and plagues over thousands of years and we will still continue to survive. Individually and collectively, Ebola survivors stories stand out as beacons of hope for their communities, countries and other nations...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ms. Fatima Erdman

It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
