

The Privileges: A Novel

Filesize: 8.07 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Karianne Deckow)

THE PRIVILEGES: A NOVEL

DOWNLOAD

Random House, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " The Privileges is verbally brilliant, intellectually astute, and intricately knowing. It is also very funny and a great, great pleasure to read. Jonathan Dee is a wonderful writer."-Richard Ford "Here is an incredibly readable, intelligent, incisive portrait of a particular kind of American family. Jonathan Dee takes us inside the world of what desire for wealth can do, and cannot do, for the self, the soul, and the family. The Privileges is told with admirable conciseness and yet with great breadth, and the reader is swept along, watching the complications of such desire unfold."-Elizabeth Strout " The Privileges is an intimate portrait of a wealthy family that gradually becomes an indictment of an entire social class and historical moment, while also providing a window onto some recent, and peculiarly American, forms of decadence. Jonathan Dee is at once an acerbic social critic, an elegant stylist, and a shrewd observer of the human comedy."-Tom Perrotta "The subjects of money and class are seldom tackled head-on by our best literary minds, which is one of the reasons that Jonathan Dee's The Privileges is such an important and compelling work. The Privileges is a pitch-perfect evocation of a particular stratum of New York society as well as a moving meditation on family and romantic love. The tour de force first chapter alone is worth the price of admission." -Jay McInerney "Mr. Dee has given us a cunning, seductive novel about the people we thought we'd all agreed to hate. His case study of American mega-wealth is delicious page by page and masterly in its balancing of sympathy and critical distance." -Jonathan Franzen "Ensnaring tale of alienating wealth, in which Dee breaks fresh artistic ground with...
