CHILD OF THE FIRE: MARY EDMONIA LEWIS AND THE PROBLEM OF ART HISTORY'S BLACK AND INDIAN SUBJECT

DOWNLOAD

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Child of the Fire: Mary Edmonia Lewis and the Problem of Art History's Black and Indian Subject, Kirsten Pai Buick, In "Child of the Fire", Kirsten Pai Buick provides the first book-length examination of the career of the nineteenth-century artist Mary Edmonia Lewis, best known for her sculptures inspired by historical and biblical themes. Throughout this richly illustrated study, Buick investigates how Lewis and her work were perceived, and their meanings manipulated, by others and the sculptor herself. She argues against the racialist art discourse that has long cast Lewis' sculptures as a reflection of her identity as an African American and Native American woman who lived most of her life abroad. Instead, by seeking to reveal Lewis' intentions through analyses of her career and artwork, Buick illuminates Lewis's fraught but active participation in the creation of a distinct 'American' national art, one dominated by themes of indigeneity, sentimentality, gender, and race. In so doing, she shows that the sculptor variously complicated and facilitated the dominant ideologies of the vanishing American (the notion that Native Americans were a dying race), sentimentality, and true womanhood. Buick considers the institutions, people, and places that supported Lewis' career, including Oberlin College, abolitionists in Boston, and American expatriates in Italy, and she explores how their own agendas affected how they perceived and described the artist. Analyzing four of Lewis' most popular sculptures, each of which was created between 1866 and 1876, Buick discusses interpretations of Hiawatha in terms of the cultural impact of Henry Wadsworth Longfellow's epic poem "The Song of Hiawatha"; "Forever Free" and "Hagar in the Wilderness" in light of art historians' assumptions that artworks created by African American artists necessarily reflect African American themes; and "The Death of Cleopatra" in relation to...
