## The Theatre of Death: The Ritual Management of Royal Funerals in Renaissance England, 1570-1625 (Hardback)

By Jennifer Woodward

Boydell Brewer Ltd, United Kingdom, 1997. Hardback. Book Condition: New. 229 x 174 mm. Language: English . Brand New Book. This book represents the first detailed study into English royal funeral ceremonies of the period, building on earlier scholarship dealing with the French royal funeral and with the social history of death and burial in early modern England. Funeral rituals are approached as performances, and placed in their political, religious and broader cultural contexts, showing them to be a microcosm of cultural change. The impact of the Reformation, with its strong iconophobic strain, on a ritual process which was centred on the display of a life-sized image of the dead monarch, is explored. Later, the counter influence of the Arminianism and Continental art is considered in relation to the apotheosis of the theatre of death under the early Stuarts, with particular reference to the funeral of James I. Earlier individual funeral occasions are also addressed, with varied focus. The author shows how the obsequies of Elizabeth I were used to help establish the new Stuart dynasty; the sudden death of the young Henry Stuart, heir to the throne, led to a funeral quite different in atmosphere and political purpose. The...
